

Privacy Policy

Synthimed Labs Private Limited respects your privacy and is committed to protecting your personal data.

We may collect information such as your name, email address, contact details, company details, and information voluntarily provided through our website.

Your information is used to respond to queries, provide services, improve user experience, and comply with legal requirements.

We do not sell personal information. Data may be shared with authorized service providers or regulatory authorities where required by law.

You may request access, correction, deletion of your personal data, or withdraw consent by contacting us.
